WILD

RACERS

ON THEIR WAY!

In March you'll be able to buy the new, cool LEGO Racers - with your own pocket money! Because they'll be low priced so you and your friends can have the zaniest races

The idea is to crash into each other and send opposing drivers flying like a catapult. Or to make the quickest getaway. Or be the first across the finishing line. Or the best at stunts!

Mount the launcher and **SHOOT** your Racer on its way!
